Dennis Miller to Serve as USA Cares Spokesperson

Nonprofit provides quality of life assistance to military families in need

Radcliff, KY Comedian and radio show host Dennis Miller announced today that he will serve as the National Spokesperson for USA Cares, a Kentucky-based nonprofit organization that provides financial assistance to military families in need.

"I am honored to help our servicemen and women," Miller said. "They are our warriors and they deserve to be celebrated."

Continuing into their sixth year of noteworthy accomplishments, USA Cares has received requests from over 10,000 Service Members and their families and has responded with millions of dollars in organizational and outside resources. In partnership with The Homeowners Preservation Foundation, USA Cares has also saved hundreds of military homes from foreclosure across the Nation.

"We are thrilled that Dennis Miller has agreed to speak on behalf of thousands and thousands of military families" said USA Cares Founder Roger Stradley. "His passion for the support of military families is equal to that of the USA Cares Team. We look forward to working with him to support our initiatives well into future."

About Dennis Miller

Emmy award winner and four-time Writers' Guild award winner, Dennis Miller offers his unique take on the day's topics with comedy and satire on his daily radio show, The Dennis Miller Show, launched by Westwood One in March 2007. It's been said that Miller is "One of the premiere comedy talents in America today..." While others are blunt assessing Miller's comedic stature, Dennis himself makes a virtue of understatement, but there is nothing low key about his career.

Miller is a five-time Emmy award winner for his critically acclaimed half-hour, live talk show "Dennis Miller Live" which had a nine year run on HBO. He also wrote and starred in the Emmy-nominated cable comedy special "Raw Feed", his sixth such special. He was the host and executive producer of CNBC's "Dennis Miller", a topical interview talk show featuring reasoned discourse, opinion and humor. Additionally, Miller has appeared on many politically oriented television talk shows.
