FOR IMMEDIATE RELEASE

Hardin County Water District No. 1 & Veolia Water Scramble for USA Cares

And Held a Charity Golf Event at Fort Knox on June 26

RADCLIFF, KY Brett Pyles, Operations Manager for the Hardin County Water District No. 1 presented a check before an assembled crowd of about 120 golfers awaiting the “Shotgun Start” of the Annual Charity Golf Scramble sponsored by Hardin County Water District No. 1 and Veolia Water. The Lindsey Golf Course at Fort Knox was the site of the event and USA Cares Executive Director Bill Nelson, accompanied by volunteers and staff members, was on hand to receive the generous proceeds.

In his remarks Brett noted, “The work that USA Cares does assists Military Families in and around the Fort Knox area and the entire country. Helping them help the Military Community is what we are playing for today.”

Hardin County Water District & Veolia Water employees present check to USA Cares

Bill Nelson, as he was accepting the check amounting to \$8,500 commented “We want you all to know how much

this is appreciated. You can be sure that this will go directly to assisting those Military Families who may have a wounded Service Member and need to be with him or her for treatment or who may be facing a foreclosure or eviction due to their being stressed financially by deployments and the mortgage crisis. And of course we help Military Families who need immediate economic assistance for any number of the things that life throws at all of us.”

Other sponsors of the event included: QK4, Triton Services, Straeffler Pump Supply, Vessels Plumbing, ERH Inc., Monarch Engineering, Inc., Elizabethtown Electric, Knox Hills, HTA Enterprises, Nolin RECC, ABS/Southern Pump, HDR/Quest, Spatial Data Integrations, Jenkins/Essex Construction, McCoy & McCoy, EDG Engineers, Bart’s Lawn Service, Sewell Industrial Electronics, Lexnet, O’Brien & Gere & Mr. William Gosset.

About USA Cares

USA Cares is a worldwide non-profit 501 (c)(3) organization serving US Military Service Members of all ranks and branches and their families with direction and advice along with grant assistance for quality of life issues caused by military service. Continuing into their sixth year of accomplishment, USA Cares has received requests from over 11,000 Service Members and families and has responded with millions of dollars in organizational and found resources. In partnership with The Homeownership Preservation Foundation, USA Cares has also saved hundreds of homes belonging to Service Personnel from foreclosure. Funding for the organization is provided through the generous contributions of corporations, organizations and individuals. For more information on USA Cares contact jrevell@usacares.org and visit www.usacares.org.

About Hardin County Water District

In its 56 year history, the District has grown from 125 water taps to over 10,000. The county government approved the formation of the District on July 15, 1952 and it is regulated by the Kentucky Public Service Commission. The District's 34 employees operate four utility systems including a water utility for northwest Hardin County, the sanitary sewer system in Radcliff and the sanitary and storm systems at Fort Knox. Annual revenues are about \$12 million. For more information visit www.hcwd.com. Note that no district funds were expended on the golf event or the donation to USA Cares.

About Vieola Water

Veolia Water has more than a 150 years' history of helping to safeguard public health by ensuring a clean water supply and thereby improving the quality of life. It is by focusing on the essential priorities of safeguarding public health by providing a clean high quality water supply, conserving resources and protecting the natural environment that Veolia Water intends to continue developing its activities. Veolia Water is committed to sustainable development as well as protecting the environment at the core of its operations as a specialist in water management. Veolia Water assumes its social responsibilities and uses its expertise to provide emergency humanitarian and development assistance via Veolia Waterforce-Waterdev, an operational partnership whereby employees can volunteer their time and expertise. For more information, visit www.veoliawater.com.
