

HARRAH'S ENTERTAINMENT EMPLOYEES  
REACH OUT AND SALUTE AMERICA'S VETERANS

Dear Community Friend,

For more than five years USA Cares, Inc., a leading national non-profit organization, has been providing post-9/11 veterans and military families from all branches and ranks with financial support and other critical resources. Typical support includes quality of life necessities such as foreclosure/eviction prevention, assistance to wounded personnel requiring family involvement or participation with rehabilitation and/or medical treatments, utility assistance, food for children and car repairs to name a few. USA Cares does not charge any fees nor asks for any remuneration in return for any services.

USA Cares' efforts are made possible by generous contributions from corporations, civic organizations, individuals and grants. USA Cares has prevented foreclosure/eviction of over 435 individually owned or rented homes of military families thus protecting over 1,000 children from uncertainty and discomfort. More than \$5 million in resources has been granted in response to over 11,000 requests for assistance.

USA Cares has recently been selected as the recipient of a charitable donation on behalf of the Imperial Palace and Bill's Gamblin' Hall & Saloon's H.E.R.O program. Together with H.E.R.O.-Harrah's Entertainment Reaching Out, an organization that is comprised of Harrah's Entertainment employees, USA Cares invites you to participate in our 2008 Veterans Day Golf Tournament Fundraiser.

This outstanding charity event occurs November 11, 2008, at Cascata Golf Course, celebrated as one of the finest, most beautiful golf courses in the world. This event will be one to remember! The fundraiser will include sponsored tee bags, hole sponsors, raffle prizes, and "player foursomes" with all proceeds benefiting USA Cares. H.E.R.O is urging the Las Vegas community to join with them in supporting our troops and USA Cares!

We feel that Veterans Day is the perfect day to show gratitude to our troops and their families and give back to the individuals who have given each of us so much. After all, our military is only 1% of our population but they provide 100% of our national security!

We appreciate your consideration in supporting this fine organization. The attached document provides additional sponsorship information.
