USA Cares Names West Texas Regional Manager

Steven Silver is the new face of military family support in Ft. Bliss and surrounding areas

RADCLIFF, KY USA Cares Inc., a leading non-profit organization providing post-9/11 veterans and military families with financial support and other critical resources, has named Steven Silver to serve as its West Texas Regional Manager. USA Cares exists to help bear the burdens of service by providing military families with financial and advocacy support in their time of need.

According to Bill Nelson, Executive Director of USA Cares, "Texas is an extremely important state for us. We have had more requests for support from Texas based military families and have saved more privately owned military family homes from foreclosure or eviction than any other state. We see that we are needed there and having Steven's "boots on the ground" in El Paso means that we can better serve the military families in the Fort Bliss area."

From late 1996 until the present, Steven was president of Philanthropic Services of the Southwest, a full-service fundraising firm with offices in Dallas and El Paso. Professionally, Steven has been in the not-for-profit industry since 1977. He received his Bachelors Degree from Emporia State University, a Master's Degree from Kansas State University, and completed his coursework in the Ph. D. program at the University of Kansas in Theatre.
