FOR IMMEDIATE RELEASE

Pacific Life Foundation Contributes to USA Cares Donation made to assist post 9/11 Veterans and their families

Radcliff, KY Bill Nelson, Executive Director of USA Cares announced that a letter from The Pacific Life Foundation was received along with a generous check for \$10,000. Addressing his staff Nelson commented “Our programs to assist the families of veterans and helping to prevent military families from foreclosure and eviction has resulted in cases that are more costly than the quality of life assistance we began with and continue to help with on a daily basis. Recognition from America’s leading corporate citizens is one of the pillars of our ability to sustain our ability to provide this kind of vital support to our troops.”

Jennifer Robinson, USA Cares Grants and Compliance Officer, stated “this is the third time that the Pacific Life Foundation has made a grant to benefit the Veterans and families of our United States Armed Forces. It is an affirmation that we share similar values regarding the quality of life that our troops and their families deserve”.

He also wrote and starred in the Emmy-nominated cable comedy special "Raw Feed", his sixth such special.
